

Coins and change

Count it, pay with it and check your change.

Name _____ Class _____ Date _____ Score: / 27

I can...

- ☐ I can name the UK coins and notes.
- ☐ I can make the same amount in different ways.
- ☐ I can work out change and check it is right.

Key words

Pence (p): the small part of UK money. 100 pence make £1.

Price: how much something costs.

Total: the whole amount when you add everything up.

Change: the money you get back when you pay more than the price.

1 Know your coins and notes

3 points

Circle one letter for each question.

a) How many pence are in £1?

(A) 10 (B) 50 (C) 100 (D) 1,000

b) Which coin is worth the most?

(A) 50p (B) £2 (C) 20p (D) £1

c) Which of these is a note, not a coin?

(A) £5 (B) £2 (C) 50p (D) £1

2 Count the cake stall money

3 points

Zara and Ben run the cake stall at the school fair. How much money is in each row?

a) 20p 20p 5p 2p **Total:** _____

b) 50p 20p 10p 5p 1p **Total:** _____

c) £5 £2 £1 50p **Total:** _____

3 Different ways to make it

4 points

Three coins make each amount. Write the missing coin.

Amount to make	Coin 1	Coin 2	Coin 3
20p	10p	5p	_____
30p	20p	_____	5p
50p	_____	20p	20p
£2	£1	50p	_____

4 What change do you get?

8 points

Work out the change. You can count on from the price up to the money paid.

a) A cookie costs 30p. You pay with a 50p coin. How much change?

Working

Answer: _____

b) A cupcake costs 65p. You pay with a £1 coin. How much change?

Working

Answer: _____

c) A box of cakes costs £3. You pay with a £5 note. How much change?

Working

Answer: _____

d) You buy a cookie (30p) and a cupcake (65p). You pay with £1. How much change?

Working

Answer: _____

5 Odd one out

4 points

One thing in each row is not real UK money. Circle it and say why.

£5	£10	£15	£20

Why? _____

1p	2p	4p	5p

Why? _____

6 Check the receipt

5 points

Omar buys a snack at the cake stall. Use his receipt to answer the questions.

Penny says: Always count your change before you walk away.

Oak Lane School Fair	**Cake stall receipt**
Flapjack: 40p	
Juice: 25p	
Banana bread: 15p	
Total: 80p	
Paid with: a £1 coin	
Thank you for helping our school!	

a) Which item cost the most? 1 mark

b) How much change should Omar get? 2 marks

c) Omar is given only 10p change. What would you do, and why? 2 marks

7 Before you go

One thing I learned today

One question I still have

How sure do I feel?

Not yet | Getting there | Got it

Take it home

Next time you go to a shop with a grown-up, look at the receipt together. Can you find the **total** and the **change**?
